

Make Your Medicare Move Count

When enrolling in Medicare, it is important to understand what services Medicare covers and what services you may need supplemental coverage for. Medicare Part A and Part B covers a variety of services to fit your healthcare needs.

Services COVERED by Part A and Part B

Part A: Hospital Insurance

- Lab Work
- Home Health Services
- Hospice Care
- Hospitalization
- Skilled Nursing Facility Care

For details and more information on the covered services, contact your doctor.

Part B: Medical Insurance

- Medically necessary doctor's services
- Outpatient care
- Home health services
- Durable medical equipment
- Mental health services
- Preventive services including but not limited to:
 - Annual Wellness Visits
 - Alcohol misuse screenings & counseling
 - Cervical & vaginal cancer screenings
 - Chronic care management services
 - Colorectal cancer screenings
 - Counseling to prevent tobacco use & tobacco-caused disease
 - Depression screening
 - Diabetes screenings & prevention
 - Flu shots
 - Mammograms
 - Mental health care (outpatient)
 - Rural health clinic services
 - Shots (or vaccines)
 - Telehealth
 - Transitional care management services

FOR YOUR HEALTH**

**MAKING MOVES TOWARD A
HEALTHIER YOU**

Don't forget to schedule your Annual Wellness Visit!

An Annual Wellness Visit is a once-a-year, prevention-focused visit, which allows you to:

- Update your doctor on information about your health
- Set your personal goals with your doctor and care team for the year ahead
- Focus on preventive care, long-term needs, and topics that might not be covered in other visits
- Discuss mental well-being and daily activities that impact your self-care and wellbeing

Wellness visits are an important part of keeping you healthy and making moves toward a healthier you.
